

# 13 Secrets Exposed That Could Make You Rich, Famous and Successful

By John Simms, Ph.D.

- 1). Large corporations, successful small businesses, entrepreneurs, etc use resourceful, sophisticated, professionals and other entities to solve their problems, be able to compete and defeat their competition, control the masses, make them millions of dollars and so on.
- 2). Some successful small businesses and entrepreneurs have secret business partners who anonymously help them behind the scenes with their day to day operations.
- 3). There's more to the law of attraction that self help gurus and personal development experts don't publicly mention. Then again, many rich, famous and successful individuals and companies have secrets they don't want you and others to know.
- 4). Mentors are very important to have even though they're often overlooked and underutilized. Even the smartest, wealthiest, famous and most successful people have taken advantage of them.
- 5). You're the byproduct of your environment and the people you associate with can either benefit you or harm you in different ways.
- 6). Many individuals aren't rich, famous or successful because they waste too much time and money on the wrong professionals, businesses, organizations, products, services, etc.
- 7). Besides a collective team effort, you can achieve more with strategic alliances and joint ventures.
- 8). Have balance between realism and idealism and then act accordingly.
- 9). Open-mindedness and creativity can make you rich, famous and/or successful.
- 10). Business should be personal.
- 11). Knowledge is power assuming that it's applied and beneficial.
- 12). Without rapport, compliance is almost impossible to achieve.
- 13). Knowing and believing in yourself and your capabilities.
