

6 Secrets Exposed That May Affect You, Your Business and Success

By John Simms, Ph.D.

- 1). You're being controlled in so many different ways regardless if you want to admit it or not.
- 2). Business savvy individuals don't provide their most valuable information or skills for free. Thus, is among the main reasons why so many people don't become rich, famous or successful with free stuff online. As the old saying goes, you get what you pay for.
- 3). Certain businesses, professionals, influencers, etc may fear you. And as a result, could negatively affect your business, relationships, sales and income among other things.
- 4). Well known people have secrets they don't want you to know that made them rich, famous and successful.
- 5). Many people have a hard time dealing with truth and reality due to the various biases and ego defense mechanisms, cognitive dissonance, belief perseverance, psychological reactance, Dunning-Kruger effect, etc.
- 6). A lot of smart and talented people aren't rich, famous or successful due to their pride, arrogance, attitudes, egos and behaviors.

Tips provided by John Simms, a successful multi-business owner and consultant, master life strategist, personal potential expert, psychotherapist, counselor, philosopher, polymath, etc
